Competencies:

Architecture and landscape design

Carlo Cappai and Maria Alessandra Segantini found their architecture office C+S ASSOCIATI in Venice and Treviso, Italy, in 1994. They are visiting professors in architecture both at the University of Venice and of Ferrara.

Their work is published in the most important architectural reviews such as: *Abitare* (I), *AD* (GB), *Area* (I), *A+U* (JA), *Architectural Review* (GB), *AW* (DE), *Bauwelt* (DE), *Casabella* (I), *D'Architettura* (I), *Domus* (I), *Detail* (DE), *L'Architecture d'Aujourd'hui* (F), *Loggia* (ES), *Spazio e Società* (I) and *The Phaidon Atlas of 21st Century World Architecture* (UK).

They won the following international architectural prizes: *Sfide 2009* Prize of Italian Landscape Ministry; *Gold Medal of Italian Architecture*, Winner of the section Education 2006; *Città di Oderzo architectural prize 2004*, 1st prize; *Mies Van der Rohe Award 2009*, Selected project; *European ColourDesign Prize 2009*, Honourable Mention; *AR Award for Emerging Architecture 2008*, Honourable Mention.

Their work was exhibited in London, Paris, Barcelona and Venice at the 8th Biennale of Architecture.

Sant'Erasmo island
